2. RASHTRIYA UTCHATHAR SHIKSHA ABHIYAN (RUSA)

Rashtriya Utchathar Shiksha Abhiyan (RUSA) (Hindi for "National Higher Education Mission") is a holistic scheme of development for higher education in India initiated in 2013 by the Central Government. The RUSA Scheme aims at providing strategic funding to eligible higher education institutions throughout the country. As per UGC (Mandatory Assessment and Accreditation of Higher Educational Institutions) Regulation 2012, it is compulsory for each higher educational institution to get accredited by the accreditation agency. Also the Central Government limited its funding to accredited institutions only. Kannur University got accredited with **'B' Grade** by the National Accreditation and Assessment Council (NAAC) on 29.03.2016.

Central Funding would flow from Central Ministry through the State Government to the State Project Directorate (SPD) of RUSA before reaching it to the identified institutions. The Central Project Appraisal Board will monitor the academic, administrative and financial achievement taken under the scheme. The Central and State funding in the ratio 60:40 is norm based and outcome dependent. The central funding to the state would be made on the critical appraisal of State Higher Education Plans which would describe each state's strategy to address issues of Equity, Access and Excellence in Higher Education.

Upon getting accreditation in March 2016 University approached the Ministry of Human Resource Development (MHRD), Govt. of India through RUSA State Project Directorate with an Institutional Development Plan (IDP) followed by the Detailed Project Report (DPR) amounting to **20 Crore** under three heads namely; **Construction**, **Renovation** and **Purchase** in the ratio **35:35:30** respectively as per the guidelines of RUSA. MHRD approved the proposals and conveyed the sanction of **10 crore** as the first installment to the University. The details and present status of projects carried out using RUSA fund are detaild below.

University Computer Cell provides varied services to all faculty members, staffs, students and other stakeholders of University like online Examination Services, payroll management, internet facilities, Biometric Attendance Services, Online Payment, Automatic sms services, email services etc. With the commissioning of the University-wide network, the Computer Cell is in a unique position to serve the University for all its IT needs. This centre is facilitated with a mini data centre, storage and various advanced application software. Computer Cell supports the University wide 1 Gbps fibere optic network that connects various Branches and Campuses of the University.

Automation activities have been started since 2004 by executing an agreement with CDIT for the computerization of Examination wing. Software solution for Automating PG and B. Tech Courses and minimum number of hardware provided by CDIt as part of that Agreement.

In 2007 University equipped 100 Nos Computers and 4 Servers as part of a UGC sponsored project called "Modernization of University Administration". In addition to that Networking of University offices are also done.

Salary Cell of Finance Branch and Pension distribution sections are computerized by 2008. After that all tabulation section of Examination wing except Medical Sections computerized using the software developed internally.

In 2011 University purchased 161 Computers, utilizing the fund provided by the State Government for the Computerisation of Examination Branch. The Formation of Computer Cell was materialized vide the Order No Ad.A2.CO/2003/Vol.II dated 10.06.2011, which is headed by the Computer Programmer and 7 Computer Operators (6 Regular and 1 Daily). Three Asst Computer Programmers (on contract basis) are working as a development Unit within this Computer Cell. Vide the same Order; the Computer Cell was transferred from Administration Branch to Examination Branch on an intention to focus more on the Automation of Examination Branch.

As a result, Automation of Examination Branch, particularly Tabulation sections of UG, PG and Professional Courses are completed. Activities from Registration through Result Publications are carried out using software and the database of basic details of students, mark details and details of issued certificates are kept in a structured format.

In addition to the automation of Examination Wing, Technical support for software and hardware required for other branches are also provided by this Computer Cell.

Maintaining and updating the University Websites and sub domains, Maintenance of Hardware such as PC, Laptops, Servers, Printers and Network equipments are the main Duties and Responsibilities of the Computer Cell. In addition to this, Computer Cell monitoring various projects like e-Governance, NME-ICT / NKN and AISHE projects. Creation of Teachers Index and Technical Support for CV Camps are provided by this Computer Cell.

More over all Administrative works like preparation of specification for the purchase of Computers and Accessories for the various Departments/ Branches, Verifying the quotations and finalizing, Providing Technical remarks and comments in the IT related matters, Attending the IT related meetings/ discussions inside and outside the University, Inspection and reporting of Computer LABs and advice the University in IT related matters are done in the Computer Cell.

Computer Cell has significant role in the development and implementation of "Smart Web"- a web based solution for the automation of School of distance Education. Though the development was done by M/ s CDIT, it is hosted and maintained in the Computer Cell.

Intra Campus Network:

Intra campus networking for Thavakkara & Palayad campus are completed. Proposal with estimate for other campuses are under considerations of Technical committee.

Inter campus Network:

Thavakkara campus is equipped with a stable NKN connection of 1 gbps. All the other campuses are equipped with network under NME-ICT Scheme Technical discussions on connecting all the campuses via VPN are on progress.

Hardware

The hardware devices already installed in the various Branches of University are detailed below.

Item	No
Server	11
PC	350
Printer	40
Scanner	10

3. Payyanur College

Edat.P.O, Payyannur, Kannur Dt., 670327.

Name of the College : Payyanur College, Payyanur.

Whether Government / Aided : Aided Brief Description of the College:

Payyanur College Payyanur is an outstanding institution of higher education in North Malabar run by Payyanur Educational Society. It commenced its pioneering service as a junior college, affiliated to Kerala University, on July 15, 1965 with a strength of 960 Science and Humanities students at the Pre-Degree level. Three years after in 1968, the affiliating authority was transferred to Calicut University and Payyanur College rose to the status of a degree college in 1969. The first course of post graduation (Mathematics) was started 1984 and in the years that followed PG courses in Chemistry and Physics and the graduate courses in commerce and Functional Hindi were also introduced. The second shift in affiliation was in 1996 when Kannur University came into being.

The College offers instruction in 14 undergraduate and 4 post graduate Courses besides three PhD courses drawing students from the educationally rising districts of the sprawling Kannur and Kasaragod districts. Presently holding a vast tract of land comprising 100 acres and donating significant tracts of land to Kannur University and Sree Sankara University, Central school and NCC head quarters complex, Payyanur College authorities helped to trigger educational and other kinds of development in this region.
