Sub: Implementation of Academic Bank of Credits (ABC)

Reference: University Grants Commission (UGC) letter no. 1-1/2022(ABC) even dated 13th May 2022 regarding Implementation of Academic Bank of Credits (ABC)

Dear Sir/Madam,

As you are aware, the Academic Bank of Credits (ABC) will digitally store the academic credits earned by students from Higher Educational Institutions facilitating students to choose their own learning path to attain degree/Diploma/Certificates, working on the principle of multiple entry-multiple exits as well as any-time, any-where, and any-level of learning. The ABC platform has been developed by the National e-Governance Division (NeGD) of the Ministry of Electronics and Information Technology (MeitY) under the DigiLocker framework.

2. The realization and effectiveness of ABC depend upon how quickly all Higher Educational Institutions register with it and students create their ABC IDs. Approximately 600 academic institutions including various Universities, Central Higher Educational Institutions, Autonomous Colleges, etc. are registered with ABC and many students have created their ABC account for credit accumulation, recognition, redemption and transfer.

3. Considering the admission process for the ongoing academic session and the significance of this important Digital initiative in the education sector, Higher Educational Institutions are requested to capture the ABC IDs of the students during the admission process, so that at the time of academic credit data uploading, credits can be accumulated in their respective ABC account.

4. I, therefore, request your personal intervention to ensure that your academic institution comes on board with ABC and uploads academic data with students' earned credit obtained during or after the academic year 2021-2022 along with students' ABC ID at the earliest.

5. For further assistance Mr. Durgaprasad Dash, Additional Director, NeGD (Email: durga@digitalindia.gov.in M-7735001000) or Mr. Abhinav Sharma, Nodal Officer ABC/NAD, NeGD (Email: abhinav.sharma1@digitalindia.gov.in M-9582916201) may be contacted.

Overview

Government of India, Under National Education Policy-2020, intends to enable students across the nation with the "Academic Bank of Credits" (ABC) system for fulfilling their thirst for knowledge by providing academic flexibility to pick and modify their educational paths, link diverse disciplines, and; assist them in acquiring the proper foundations and building blocks for their ambitions.

The "Academic Bank of Credits" (ABC) is an educational digital platform created to facilitate students' seamless mobility between or within degree-granting Higher Education Institutions (HEIs) through a formal system of credit recognition, credit accumulation, credit transfers, and credit redemption in order to promote distributed and flexible teaching and learning.
