INTRODUCTION

Kannur University - Four-Year Undergraduate Programme: Backdrop and Context

The implementation of the Four-Year Undergraduate Programme (FYUGP) has been driven by the pressing need to address contemporary challenges ensuring responsive changes to the evolving needs of students, industry, and society at large. Recognizing the curriculum as the cornerstone of any education system, it requires regular refinement to align with evolving socio-economic factors. Higher education must provide students with practical and technical skills relevant to their fields of interest, necessitating the development of a job-oriented curriculum. Despite significant increases in access and expansion of higher education over the years, concerns persist regarding the quality and relevance of educational outcomes, particularly in terms of employability skills. As the world becomes increasingly interconnected, our education system must evolve to instill 21st-century skills, enabling students not only to survive but to thrive in this dynamic environment. Moreover, there is a growing need for higher education institutions to embrace social responsibility and contribute to the development of a knowledge society capable of driving sustainable development through innovation. With the central objective of fostering a robust knowledge society to support a knowledge economy, the Government of Kerala has initiated steps to reform higher education. Accordingly, three commissions were established to suggest reforms in higher education policy, legal and regulatory mechanisms, and evaluation and examination systems. It is within this context that a comprehensive reform of the undergraduate curriculum has been proposed, leading to the restructuring of the Four-Year Undergraduate Programme.

KANNUR UNIVERSITY

VISION AND MISSION STATEMENTS

Vision

To establish a teaching, residential and affiliating University and to provide equitable and just access to quality higher education involving the generation, dissemination and a critical application of knowledge with special focus on the development of higher education in Kasargode and Kannur Revenue Districts and the Manandavady Taluk of Wayanad Revenue District.

Mission

- To produce and disseminate new knowledge and to find novel avenues for application of such knowledge.
- To adopt critical pedagogic practices which uphold scientific temper, the uncompromised spirit of enquiry and the right to dissent.
- To uphold democratic, multicultural, secular, environmental and gender sensitive values as the foundational principles of higher education and to cater to the modern notions of equity, social justice and merit in all educational endeavors.
- To affiliate colleges and other institutions of higher learning and to monitor academic, ethical, administrative and infrastructural standards in such institutions.
- To build stronger community networks based on the values and principles of higher education and to ensure the region's intellectual integration with national vision and international standards.
- To associate with the local self-governing bodies and other statutory as well as non-governmental organizations for continuing education and also for building public awareness on important social, cultural and other policy issues.

PREFACE

Kannada is one of the oldest language of Dravidian language family and is also has the status of Classical language of India. Dominating in Karnataka, Kannada language speakers are scattered within Indian states like Kerala, Tamilnadu, Andhra Pradesh, Maharastra, Goa, and Delhi and abroad. In Kerala, Kannada has the Linguistic Minority status and equally used in official communications.

Kannada literature as an optional in the Bachelor of Arts degree could be highly beneficial as many career opportunities are opening in the digital era. Apart from the traditional teaching and administrative service opportunities, the new age digital faculty positions are waiting for the graduates in Kannada literature.

Students can orient themselves to become teaching faculty of Kannada Literature, Officer of Administrative services, writing faculty of new age newsrooms or digital industry or scholars of folk literature or place themselves in the industry of tourism. Public Relation Officers, Customer Relation executives, Creative hands HR consultancy, Creative script writer or story writer, Communication Associates, Regional Language Experts, Media coordinators, Project fellows, Content writers, Content editors, Translators, Anchors are the positions awaiting for the graduates students of Kannada Literature.

Undergraduate Course in Kannada literature is the foundation for the advanced studies in Kannada language and literature and also opening the path of research.

The graduates in Kannada Literature are employable in teaching field as well as media and journals. They can also proceed to one year Post graduate courses and Research. The subject also has a multidisciplinary nature where it can be associated with cultur, archeology, Journalism, translation, feminism and ecology. The graduate of this programme should be able to get better communication skill, language skill, identify the differences of the various literary genres, read and interpret literary works of Ancient, Medieval and Modern periods, pen creative and critical writings, identify and assess the theories of poetics, to translate literary works from English to Kannada, communicate the knowledge of folk literature, acquire the skill of journalistic writing like reporting, column writing, feature writing etc.

Four Year Under Graduate Programme introduced in Kerala, as a part of NEP, we are also initiated to prepare syllabus for bachelor degree in Kannada. It is a difficult task to us to in corporate all circumferances of language and literature with proper gradation. I offer hartly gratitude to all the members of BOS and Add hoc committee.

KU1DSCKAN101 : PRE - NAVODAYA LITERATURE

Semester	Course Type	Course Level	Course Code	Credits	Total Hours
1	DSC	100-199	KU1DSCKAN101	4	60

Learning Approach (Hours/ Week)			Marks Distribution			Duration of ESE (Hours)
Lecture	Practical/ Internship	Tutorial	CE	ESE	Total	
4	-	1	30	70	100	2

Course Description

The Course intends to introduce basics of the literature in pre Navodaya period. Kannada language turned towards modernity in its features and literature in this period. New literary forms are emerged in Kannada by the influence of English literature, and translations are also carried out. The course introduces the primary foot prints of modernity in Kannada.

COURSE OUTCOMES

Course Learning Outcomes: At the end of the Course, the Student will be able to

CO No.	Expected Outcome	Learning Domains
C01	Derive the back ground and history of pre Navodaya period	C
C02	Evaluate the developments of Kannada literature by translations in the pre modern period	E
C03	Determine the features of pre Navodaya literature	C
C04	Evaluate how the regional language established its identity in a transactional period	E

KU4DSCKAN207 : KANNADA PROSODY

Semester	Course Type	Course Level	Course Code	Credits	Total Hours
4	DSC	200-299	KU4DSCKAN207	4	60

Learning Approach (Hours/ Week)			Marks Distribution			Duration of ESE (Hours)
Lecture	Practical/ Internship	Tutorial	CE	ESE	Total	
4	-	1	30	70	100	2

Course Description

Physical format of ancient and pre modern poetry is based on prosody. Various meters are evolved and developed gradually from the age of Vedic literature. Time calculation and rhythm in music are also based on the foundation of prosody. So, prosody is a necessary area of knowledge for major pathway students who pass out from language stream.

COURSE OUTCOMES

Course Learning Outcomes: At the end of the Course, the Student will be able to

CO No.	Expected Outcome	Learning Domains
C01	Relate the rules of prosody	E
C02	Evaluate different meters	E
C03	Derive the importance of various meters	E
C04	Compare different meters	E

INTERNSHIP

All students should undergo Internship of 2-credits during the fourth semesters in a firm, industry, organization or research institution. Internship can be for enhancing the employability of the student or for developing the research aptitude. Internship can involve hands-on training on a particular skill/ equipment/ software. It can be a short project on a specific problem or area. Attending seminars or workshops related to an area of learning or skill can be a component of Internship. A faculty member/ instructor of the respective institution, where the student does the Internship, should be the supervisor of the Internship.

GUIDELINES FOR INTERNSHIP

The following guidelines are designed to ensure that the internship experience is both structured and beneficial, contributing significantly to the student's educational and professional development in the field of Kannada media writing.

1. Students are required to engage in the Internship for a minimum of two weeks.
2. Internships can be completed during summer vacations or other official holidays, providing flexibility in fulfilling the hours required.
3. Internships can be conducted at any reputed media work space or in recognized journalism and communication department. It must be a professional exercise to formulate and write/broadcast a media report, feature or interview. An experience based comprehensive report including photographs and analytical insights must be submitted upon the completion.
4. Students must maintain a detailed personal logbook throughout their internship. This logbook should chronologically document the internship activities. All entries must be dated and countersigned by the supervisor.
5. At the conclusion of the internship, both the logbook and a typed final report must be submitted for assessment.
6. The location and organization where the internship is conducted must receive prior approval from the Department Council at the college where the student is enrolled in the UG program.

EVALUATION OF INTERNSHIP

The evaluation of Internship shall be done internally through continuous assessment mode by a committee internally constituted by the Department Council of the college where the student has enrolled for the FYUG programme. Components of evaluation cited below.

Component		Mark	Weightage
Continuous evaluation of internship through interim presentations and reports by the committee internally constituted by Department Council	Formulating and writing/broadcasting efficiency	10	60
	Punctuality and Log Book	10	
	Viva-voce	10	
Evaluation of the day-to-day works and writing/broadcasting efficiency by the internship supervisor.		20	40
TOTAL		50	100

PROJECT WORK GUIDELINES

KU8PROKAN401 - PROJECT IN HONOURS WITH RESEARCH PROGRAMME

1. In Honours with Research programme, the student has to do a mandatory Research Project of 12 credits instead of three Core Courses in Major in semester 8.
2. Students who secure 75% marks and above cumulatively in the first six semesters are eligible to get selected to Honors with Research stream in the fourth year
3. The Project can be done in the same institution or any other higher educational institution (HEI) or research centre/ training centre
4. The dissertation should minimum of 125 pages in A4 size, 13 point Nudi font with 1.5 line space.
5. A faculty member of the respective institution, where the student does the Project, should be the supervisor of the Project, as per FYUGP guidelines
6. The maximum intake of the department for Honours with Research programme is fixed by the department based on the number of faculty members eligible for project supervision, and other academic, research, and infrastructural facilities available
7. During the Project the students should make regular and detailed entries in to a personal log book through the period of investigation. The log book will be a record of the progress of the Project and the time spent on the work, and it will be useful in writing the final report. All entries should be dated. The Project supervisor should periodically examine and countersign the log book.
8. There should be minimum 360 hours (24X15) of engagement from the student in the Project work in Honors programme.
9. The Project in Honours with Research programme will be evaluated for 100 marks.
10. 30% of the weightage shall be given to CE and 70% shall be awarded by the external examiner appointed by the University.
11. The various steps in project works are the following:
 - Wide review of a topic.
 - Investigation on a problem in systematic way using appropriate techniques.
 - Necessary fieldwork and data collection
 - Systematic recording of the work.
 - Reporting the results with interpretation in a standard documented form.
 - Presenting the results before the examiners.
